## *Founder's Message*

\*“Education is the most powerful tool to transform lives and build a progressive society. When we founded RMIT Group of Institutions in 1991, our vision was to create an institution that would not only impart knowledge but also nurture character, discipline, and a spirit of innovation among young minds.

Over the past three decades, RMIT has grown into a multi-institution educational group serving diverse learning needs—from school education to technical, professional, and vocational training. We remain committed to providing quality education that empowers students with skills, confidence, and ethical values to succeed in a rapidly changing world.

I extend my heartfelt gratitude to our dedicated faculty, staff, students, parents, and all stakeholders who have contributed to our journey. Together, we will continue to shape a brighter future for generations to come.”\*
